

Lafayette Lunchtime Tennis

Fall, 2010
September 7 – November 12
10 Week Program

Registration Form for 1st – 5th Grades

Lafayette Lunchtime Tennis is a program designed to give the Lafayette students an opportunity to take advantage of a wonderful resource, the Lafayette tennis courts, during the school day. Each instructor will have a maximum of 6 students per court. During the lessons students will not only learn tennis but also about anatomy, physiology, body mechanics, physics, sportsmanship, court etiquette, scoring and how to have fun. Strength, stamina and flexibility will also be emphasized. It is a wonderful life skill that can be enjoyed with friends and family throughout an entire lifetime.

The program will run 10 weeks. The cost is \$100 for the 10 week session. Students with a split recess will play tennis during the first 40 minutes of lunch then eat during the third lunch shift. Due to limited resources, students may only sign up for one tennis class per session. Parents may contact me about scholarship needs.

On wet days classes will focus on mobility, agility, running and strengthening on the courts. Balls and racquets will be provided but students may bring their own racquet. Check www.LafayetteTennis.org for additional programs and tennis activities.

Student's Name _____	Parent's Name _____
Home Phone _____	Cell Phone _____
Address _____	Work Phone _____
City/St/Zip _____	E-Mail _____
